

KEEP INFORMED!

We are working very hard to keep you as informed as possible of everything going on at Butler Catholic School and what you need to know.

EMAIL:

- † In addition to the Butler Catholic School Website which includes much information, we have started emailing reminders to alert you when updates are added, including when the new Thursday Packet is online.

- † If you have not received an email from bc reminders@butlercatholic.org in the last two weeks, please email bc reminders@butlercatholic.org and include your name, your children's names and your email address and we'll add you to the distribution.

FACEBOOK:

- † We have also created a new Facebook Page "Butler Catholic School". All updates/notes/information will be posted there, as well.
 - Please join the group "Butler Catholic School"
 - **AND**
 - ADD "BCS REMINDERS" as a FRIEND
 - This will allow all messages included in the "Butler Catholic School" Group to show up on your wall.

These methods will also be a great way to keep up to date throughout the summer.
