June 6, 2006

Dear Parents,

It's so hard to believe that this is the last letter for the 2005-06 school year. How fast the year has gone!

Thank you so much for all of your cooperation, concern, help, support and care that you have shown this year. Home and school working together means a solid team for the children we both care about so much. The word "Thank You" seems so simple, but it means so much.

Just a few points of information:

- The Basketball Camp at Butler Catholic scheduled for June 12-16 is cancelled. Hopefully it will continue next year. There will be a camp at St. Fidelis, July 17-21. Call Mr. Ryan at (724-445-2624) for more information.
- There is a very strong possibility that we will be receiving school furniture within the next week. This means that we will have student desks and chairs available for the taking. (There is no charge, but donations will be accepted.) If you are able to help unload the truck, all hands are welcome. High school students as well as our seventh & eighth graders can use this as an opportunity for community service. Please complete and return the form below.
- Please return your SMART application form along with the $100 family registration fee by Wednesday, June 7.
- Last week a "green flyer" concerning "BC Bucks help" went home. We received just one reply. In order for this program to benefit everyone, we need help selling the certificates. If you can give about 90 minutes a week, would you please complete the form below and return it to the office.
- Reserve Friday, July 21, 2006 for the Robert Rose Uniform Company. Representatives will be here from 2:30-6:30 that day for you to purchase uniforms for the next year,. All shorts, skirts, skorts, and jumpers MUST be purchased from this company. If trousers and shirts are purchased elsewhere, they must conform to the dress code. The dress code is included in this week's packet.

May the days of summer be relaxing, refreshing and renewing for you. Be sure to have the children have responsibilities around the house everyday. Just as professional athletes have their skills in the off-season, students too need to read and do math everyday to keep "sharp" in these areas. Check out the various sites on your child and teacher's school notes for ideas.

I'll be here basically all summer. Please feel free to call or stop in. May you always feel the presence of our Provident God surrounding you with His love, peace, happiness and strength. Be assured of a very special remembrance in my daily prayer. God Bless!

Gratefully,

Sister John Ann

I CAN BE OF HELP UNLOADING AND MOVING:

_____ Anytime _____ Morning _____ Afternoon _____Evening on _____
(days)

I CAN SELL BC BUCKS:

_____ 9:00 AM – 10:30 AM _____ 10:30 AM – 12:00 Noon _____9:00 AM – 12:00 Noon on _____
(days)
