

Google Classroom

1. Open the app (Android or iOS) or go to the website **classroom.google.com**.
2. Log in to your child's account

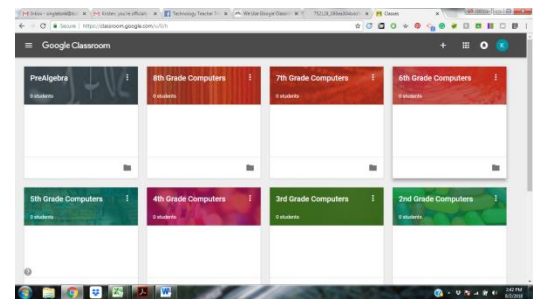

a. Usernames/email all follow the same pattern:

lastname+firstinitial@butlercatholic.org

(ie. singletonk@butlercatholic.org)

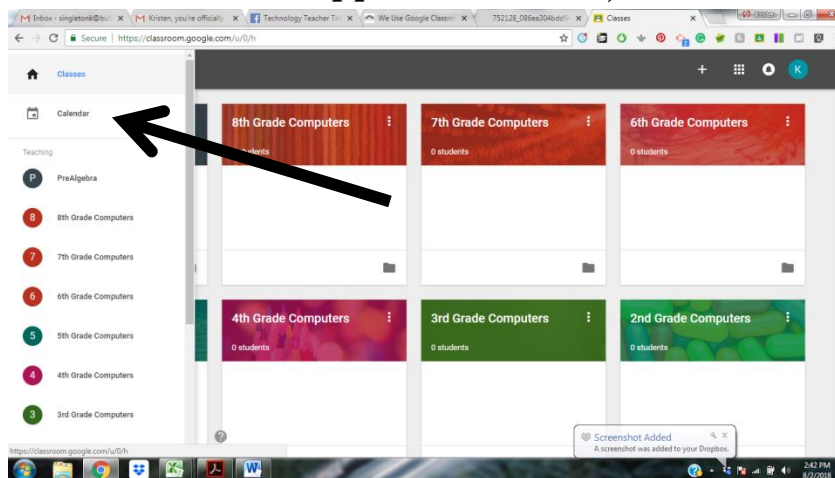

b. Password for K-5 is **saints2018**. 6-8 graders created their own passwords. Please get the password from your child.

3. When asked, click I'M A STUDENT.
4. All of your child's classes will appear on the main screen. Click on any of the subject titles to enter the classroom and see what has been posted.

- a. STREAM – assignments and announcements arranged by date and time posted
- b. CLASSWORK – assignments and announcements grouped by topic, importance, etc.

5. You can access a combined weekly calendar of assignments from the main page. Click the lines in the upper left corner, then select Calendar.

NOTE: You can add multiple accounts on the app, giving you the ability to switch between accounts without signing out. Manage your accounts by clicking on the three lines in the upper left.
