Have you ever found yourself asking “What is my legacy?” What will family, neighbors, and community think of when your name is mentioned? For us at Butler Catholic School, we want our legacy to be one of Service, Faith, Stewardship, and Leadership. Butler Catholic recognizes that as a school we are educating tomorrow’s community leaders, and are preparing our students to be active participants in local business, church, and social endeavors. To finance this mission, we draw on a combination of tuition as well as donations and fundraisers to meet our budget each year. Our main fundraising events each year are generously supported through donations by the school families and the business community. In many ways, our legacy is tied to the legacies being built by so many others, including you and your company.

Over the past few years, we have heard from businesses such as yours that there is strong interest in supporting Butler Catholic School on a planned, purposeful basis. You are busy in your offices, stores and manufacturing plants, and rather than being asked for scattered donations throughout the year, you would prefer a once-annual commitment. Now in its third year, our Community Partner program is a forged partnership between Butler Catholic School and businesses in our community that are dedicated to the goal of raising up tomorrow’s leaders in a faith-centered environment. Not only does this partnership benefit Butler Catholic students, it also brings great value to you.

Our innovative, award-winning Community Partner program consists of an annual commitment, which runs for the length of each school year. During this time period, Community Partners receive Sponsorship Benefits at each of our main fundraisers, plus invaluable benefits and unprecedented visibility within our school community throughout the year. We encourage you to read through our Community Partner brochure that details the levels of commitment available, the benefits you will receive, and the support from our school community back to YOU. I’ve also included some materials highlighting the impact that our Community Partner program has had in our school and on our students in 2017/2018. We hope you will consider becoming one of our Community Partners for this coming school year.

Please contact Kathy Dudley in the school office 724-285-4276, or email [partners@butlercatholic.org](mailto:partners@butlercatholic.org) with any questions, or for more information.

Thank You!

Kathy Dudley,  
Director of Development  
Butler Catholic School
