

## GIRL SCOUT INFORMATIONAL NIGHT

Want to learn what Girl Scouts do, where they meet, or how your daughter can join? Would you like to share the adventure with your daughter as her troop leader, but don't know how to begin? Well, this information night is for you! We will teach the girls songs, talk to them about scouting, and show them the badges they can earn. Parents will learn about Girl Scouts, how to become involved, and how to start a troop or find a troop for their daughter in the Butler Area.

Girl Scouts is a way to make quick friends that will last a lifetime!

Dear BCS Families,

Welcome Back! As everyone is getting settled into a new school year, activities are being planned and schedules are being created. Challenge of Champions has been a very popular and fun after school activity. If your child has not participated in Challenge of Champions in the past, this is an opportunity for them to think outside the box by engaging in academic games with peers from BCS and other non-public schools. The Challenge of Champions competition is scheduled for Saturday, November 10, 2018 here at BCS. There will be several practice sessions prior to the actual event.

**Practice dates are scheduled for:**

- **Wednesday, October 10, 2018**
- **Wednesday, October 17, 2018**
- **Wednesday, October 24, 2018**
- **Wednesday, November 7, 2018**

All practices will begin at 2:45pm and end promptly at 4:00pm. Please arrange transportation home for your child at the end of the practice. We look forward to another exciting year of Challenge of Champions!

Blessings,  
Mrs. Cosme
