

## **An easy way to support your Children and *Butler Catholic School***

Hello Butler Catholic School Families!!

One of the many programs that Our School participates in is called Apples for the Students. This program is an easy way that we as parents, as well as, family and friends can help our Children and our School every day. Apples for Students is through Giant Eagle and is as simple as swiping your advantage card when you shop!

Since 1987, Giant Eagle has donated around \$1.1 million yearly to local schools for purchases made with registered Giant Eagle Advantage Cards®. The earning period runs from early September through mid March. With every scan or swipe of a registered card at the cash register or gas pump, **Butler Catholic School** builds its point base. At the end of the earning period, the points turn into dollars, and can then be used to purchase education necessities such as different types of technology, classroom supplies, as well as many other items to help our Children learn every day.

We need your help and help from any family and/or friends that would like to help! It is simple, register your Giant Eagle Advantage Card and go shopping. Once registered, your card is always registered.

To Register:

- Visit [GiantEagle.com/AFTS](http://GiantEagle.com/AFTS)
- Enter your Giant Eagle Advantage Card® number (this appears under the bar code on the back of your card)
- Enter the school code **0125**

Supporters can also check if a card is already enrolled using the same easy steps at [GiantEagle.com/AFTS](http://GiantEagle.com/AFTS).

If you have any questions or need assistance in registering your card or your family and/or friend's cards, please do not hesitate to contact me.

Thank you!
