

Butler Catholic School School Photo Shoot WEDNESDAY, OCTOBER 10

Dear Parents,

On Wednesday, October 10th, Ursula Slater, BCS mom and professional photographer will be coming into the school to take pictures of BCS students. Those pictures will be used in new marketing materials for the school.

We are asking that families please follow these guidelines:

SCHOOL UNIFORMS ONLY.

- Please do not use jean passes this day.
- **BOYS:** Navy uniform pants; white or blue polo shirt with Butler Catholic embroidery if possible (**no red shirts, please**).
- **GIRLS:** Skirt (5-8), skort (K-4) or jumper (no navy uniform pants please); white or blue top (**no red shirts, please**); Butler Catholic embroidery on polo shirts if possible.
- Accessories (including belts and jewelry) should be conservative and not distract from the school uniform
- Please make an effort to ensure your children are well-groomed for the day, similar to how you would prepare them for school photos.

We will be photographing a wide variety of students of different genders and ages to represent the many different facets of BCS. Due to space limitations, however, not all photographs taken will be used in the final marketing pieces. Thank you so much for your support.
