Dear Parents,

Clergy Team

According to some first graders, "there is only one more "Pizza Day" and that's this Friday, because next week is Olympic Day!! Is the year quickly disappearing?? While calendar days are quickly disappearing, there is still quite a lot of work to be done before the buses' final trip home.

Thank you to all those who attended Monday's meeting on the FACTS Tuition Management program. We were glad to see you there. Attached to this letter are the directions for setting up your account. All tuition payments for the 2019-2020 school year will be done through FACTS. **ALL families MUST be signed up on FACTS by Thursday, May 30, 2019.** That gives us only one day to pursue those who have not done so. If you are having difficulty, please call the School Office and Julie Truax, Krissy Wissinger, or Kathy Dudley will help you.
