

Butler Catholic has been around for 50 years – a legacy of academic excellence, willing service, and faithfulness to the Gospel. You are continuing the growth of that legacy by your being here with your children. May their summer be filled with memory making activities that are fun, refreshing, and relaxing. May our Provident God continue to bless you abundantly with His very special blessings.

Have a blessed, happy, safe summer! See you on August 27, to begin the New School Year.

Gratefully,

Sister John Ann
