May 30, 2019

Dear Parents,

With the days quickly disappearing, I want to take this time to extend to you my deepest gratitude to you for your cooperation, caring, support and the helpfulness you showed all year. This successful good year would not have happened without you. Thank You! Thank You! Thank You!!!

Summer work is scheduled to begin on the Monday after school is out. Starting June 10, work crews will be here. Outside work on sidewalk replacement will begin at the corner of Monroe and St. Paul Streets. Inside, the updating of all lighting in classrooms and hallways will begin. The updating of the restrooms by Sister John Ann's Office is scheduled to begin during that "first week of vacation." Also going on during this week, is the work on the outside back section of the building by Etzel Masonry.

With all this going on, the School Office will be on a "Summer Schedule". The Office hours are 8 AM-1 PM Monday through Friday. BC Bucks will be sold on Tuesday and Friday from 9-11 AM in Room 107. Beginning June 10<sup>th</sup>, anyone entering the building will have to do so in the back of the building. Please drive up St. Paul Street, pull into the parking lot to your left and enter through the back door to Room 107.

Going home with your student(s) next week is the Summer Packet of "Mental Reinforcement". To prevent the "forgetting lapse", research has shown 60 minutes a day of mental activity of reading and math, reduces the "forgetting and loss" of knowledge learned. Out of the 24 hour day, students should have a "schedule" of 1 hour of school work, 1 hour of physical work for Mom and Dad, 10 minutes of spiritual time with Jesus – and the remaining 21 hours 50 minutes sleep, play, eat, and whatever Mom and Dad say!!

Please be sure to sign up for FACTS tuition management program by June 1, 2019. Clarification: If you plan to make a "tuition payment in full-only one payment – there is **NO** fee. Also there is no choice about this payment process. This determination was arrived at after much research and discussion. To those of you "who don't like this decision," I respect your opinion, but this process is best for the financial stability of our school.

Rumors are always abundant, even more so at this time of year. The Fatima Grotto **IS NOT BEING TORN DOWN!!!** It is being cleaned up and beautified with new plantings. Grades are being put together to form one classroom due to "mass exodus" of students. This is simply **NOT TRUE** on both parts. The few students leaving are due to parents' and children's choice – **NO ONE** is being "thrown out"!! Rumors are gossip spreading statements spread by people who do **not know** the facts!! Unless you hear/read it from me, consider it not true!!
