Registration for the Butler Catholic 2019/2020 Boys and Girls basketball season will open on  
**Thursday, 09/12/2019 thru Thursday, 09/19/2019.**

**No registrations will be accepted after this date.**

The Diocese basketball league runs from November thru mid-March and offers Boys and Girls basketball in the following grades:

Developmental (3<sup>rd</sup> and 4<sup>th</sup> grades)

Junior Varsity (5<sup>th</sup> and 6<sup>th</sup> grades)

Varsity (7<sup>th</sup> and 8<sup>th</sup> grades)

All registrations will be done electronically. The Athletic Association will again utilize "League Lineup" for the registration process. You may access the form online at the following link:

**<http://www.leaguelineup.com/bcaa-bb>**

If you do not have access to the internet, please contact the School Office at [bcsoffice@butlercatholic.org](mailto:bcsoffice@butlercatholic.org).

You will have the option to pay for your child's registration fee by check or credit card (with a \$1 service fee via Stack Pay). The registration fee for the 2019-2020 school year will remain the same- \$60 per child. Checks should be made out to Butler Catholic Athletic Association and sent to the School Office.

You will also be able to purchase a Family Admissions pass for the basketball season. The Family Admissions Pass for the 2019-2020 season will remain the same-- \$20 per family. This pass can be used by immediate family members **only** for free admission to any of the home games throughout the season (this does not include tournament games). You will need to provide your name at the table for entrance. The annual pass provides a significant savings over the paying for individual admission to each home game. Please keep in mind that when Butler Catholic travels to an opponent's gymnasium, the host school will typically charge a small admissions fee. The admissions fee helps to offset the cost of the referees and the use of the gymnasium.

Additional information regarding the registration process can be found on the BCAA League Lineup homepage.
