Adventures in Engineering: Recycled Racers!

3rd through 5th Grade Students—Jan 21st to Feb 20th

BCS has partnered with Kids Innovation Playground to bring a new fun (and educational) after-school program to our 3rd through 5th graders, called Engineering Recycled Racers. Here’s a sneak preview of what this activity is all about: *“Recycled Racers is designed to introduce kids in grades 3-5 to the field of “green engineering” by challenging them to find and reuse as many materials as possible for an engineering design challenge. Kids are led by India and Jacob, our world-traveling duo and the hosts of our Engineering Adventures activities, through Senegal—a country with a strong culture of reuse and recycling. In Recycled Racers, kids design cars with recycled parts, then improve and test them in a Recycled Racer Rally. The parts for the cars can all be taken out of your recycling bin.”* This program will be five sessions long, held on either Tuesdays or Thursdays after school from January 21st through February 20th. On February 28th we will have a special afternoon assembly in the School Gym for the Recycled Racer Rally, where classmates and parents will be able to see all of the cars in action in a fun-filled race.

Program Details:

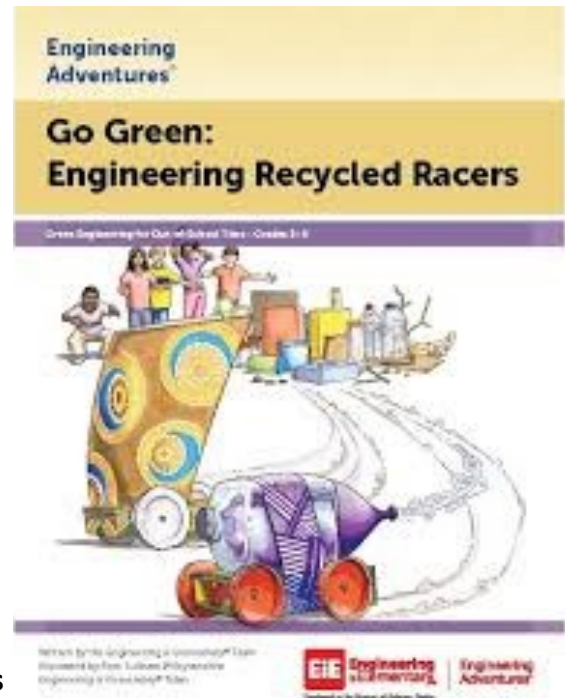

Dates: Tuesdays or Thursdays from January 21st through February 20th (LIMIT OF 20 KIDS PER DAY—First come, first served)

Time: 2:45 PM to 4:00 PM

Cost: \$30 per student. This covers instruction and supplies (plus we will ask students to bring in recycled items from home that they want to use.

***We are in need of several parents to be helpers for these sessions. If you are interested in helping at the five weekly sessions (must be able to help at all five) please indicate that on the form below. Parent helpers will receive a \$10 discount on their child’s registration fee.*

To register your child for this program, please return the form below with payment (checks made payable to Butler Catholic School) by JANUARY 13, 2020 to the BCS Office. Once the 20 slots are filled for each date we will have to close registrations.

Recycled Racers Sign Up Form

Child's Name _____ Homeroom _____

_____ Yes! My child has my permission to attend Recycled Racers. Preferred Day: _____ Tuesday _____ Thursday

_____ I have enclosed \$30 for the program fee. _____ Cash _____ Check (payable to Butler Catholic School)

_____ I am interested in being a volunteer helper for the five Recycled Racers sessions. (child fee \$20 instead of \$30)

Parent's Name (print please) _____ Phone _____

Parent's Signature _____ Date _____
