Dear Parents,

In approximately six weeks, we will bring the 2020-2021 school year to a close. It has been a year of constantly changing experiences, challenges, frustrations; and yet full of blessings, surprises and signs of our Provident God's ever caring hand in what we see every day. We have had only 21 days of "whole school remote learning" since we opened on September 8, 2020. And those days of building closure were centered on the number of community based COVID cases.

We froze tuition for the 2020-2021 school year and still were able to provide quality education for all our students Preschool through 8th grade with the use of technology, which was implemented and utilized by the dedicated faculty and staff.

Given the challenges that the pandemic has caused economically, we must approach the financial aspect of Butler Catholic School with a realistic confidence that the quality of education we offer is a "rigorous academic program rooted in Gospel values that prepares our students to be self-motivated leaders, humble servants and life-long learners." (Mission Statement of BCS)

In consultation with the School Advisory Board, the tuition rates for the 2021-2022 school year for Kindergarten through 8th grade are:

	<u>YEARLY</u>	<u>MONTHLY</u>

<b><u>Non-Catholic</u></b>

Second Child	\$3,900	\$867(Increase of \$54/month)
