What: Mission trip to Catholic Heart Workcamp in Cincinnati will be an awesome time of adventure that challenges everyone to grow in their faith through community and service.

Where: We will stay at St. Xavier High School in Cincinnati and work in the local community.

When Do We Go? July 18-23. We leave Sunday, July 18, after the 8:30am Sunday Mass at St. Conrad. We work in Cincinnati from Monday through Thursday. When we return Friday, July 23, we will stop somewhere on the trip home for a fun outing.

Typical Day: The day starts with breakfast, a fun program and daily Mass before hitting the road to our worksites. After work, we'll have chill time, dinner and an evening program with a mixture of fun, games and faith.

Exactly What Will We Do? Some of our youth will work on repairing and renewing homes by painting, house cleaning, yard work, basic construction projects, and/or helping build new homes for low-income families through organizations such as Habitat for Humanity. Others will help at daycare centers for low-income families and/or help at Social Service Centers (food pantry, homeless shelter, etc).

Cost: Thanks to the generosity of our parishioners, most of the cost is covered. Each participant pays \$100.

Who Can Go? Youth going into grades 8-12 or college for the 2021-22 school year.
