

# BUTLER CATHOLIC SCHOOL WELCOMES TSS PHOTOGRAPHY

Hello parents,

I would like to introduce ourselves. My name is Daniel Lonchena and my partner is Mike Wheeler. We own TSS Photography and we are so happy to announce that we are your new photography company for Butler Catholic School this year. We are local to the area. I live in Evans City and Mike is in Seven Fields. Our system is very easy to use and it helps release some of the stress from the school, teachers, and you the parents.

## **Picture Day is Wednesday, October 13, 2021.**

What may be different than before. There is no money needed on the day of pictures. There are no envelopes to order and the best part is that you get to see the pictures before you place your order. We have a true view first program. Everyone will receive a link to their child's gallery. You will see the pictures taken that day and be able to select a background of your choice from our vast library of backgrounds. You place your order online and everything is shipped to you. No more worries of the children shoving them into the backpack and sitting on them in the bus and being bent or wrinkled. You can share your gallery with family members even if they are in another state and they can place their own order and be shipped to their house as well. You are able to crop or adjust the size of your child's image to fit the background you like. Please check all your products before submitting your order. An 8x10, 5x7, buttons, they all are different sizes and one crop may not work for all of them. It is easy but we are here to help if needed.

Please email us instead of the school with any questions or problems by going to [tssphotography.com/sevenfields-pennsylvania/contact-us](https://tssphotography.com/sevenfields-pennsylvania/contact-us).

If you have more than one child you can place one order, log into one gallery, save the pose or poses you like under favorites and then log into the next child and so on. When you log into the last child's gallery you can select the package you want with him or her, add it to the cart, visit your favorites and do the same for the other children after everything is in the cart you can finish and pay. This way you are only paying shipping one time instead of two or three times.

We can't wait to start working with you and your school this year and we will see your children **Wednesday, October 13, 2021** for a great and fun picture day!

Thank you,  
Daniel Lonchena and Mike Wheeler
