

**Volunteers needed for Olympic Day
Friday, May 27, 2022
8 AM-2 PM**

We need 18 volunteers to think of and run the game on Olympic Day.
Please consider helping.

For those of you who may not know what Olympic Day is:

Olympic Day consists of our BCS students on teams (according to homerooms) who then move around to the 9 different stations that will be outside and inside the school. Each team spends about 17 minutes at each station. This is why we need **18 volunteers (two adults per game)** to think of a game and supply what is needed for it as well as run it on Olympic day. The game will need to be prepared to be played indoor as well if the weather does not cooperate. Remember when you have the younger children the game will need to be simplified and when you have the older children the game should be more challenging. A free lunch is served to all students and volunteers that day. There is also a hockey game that takes place with the older students.

If you are able to volunteer, please complete the form below and return it to the School Office by Thursday, March 31, 2022.

You MUST have your clearances!!!!

Please return this portion to the School Office by Thursday, March 31, 2022.
